

Title:

Acting - Handling Stardom

Word Count:

527

Summary:

In this article we're going to discuss what to do once you've finally reached the point in your

Keywords:

acting

Article Body:

Well, here you are. You met with your agent, got the audition, got the part, made your first movie.

So, you're a star. What next?

Unfortunately, not everyone can handle stardom. This has been sadly chronicled in the lives of many

Everyone has their own theories of how to handle stardom. In this article we're just going to

For starters, don't bite off more than you can chew. Once you become a star, everyone is going

The next thing you want to do is not let stardom change your lifestyle beyond what you can afford.

Probably the most important thing you can do as a successful actor is not let it get to your head.

Just by doing the above few things you'll have a very good chance of surviving the success that
