Article Body:

Article Directories follow the metaphysical law of Reciprocation. What this means in Layman's

- 1)webmasters who want to use the articles
- 2)The Webmaster who wrote the article and who receives promotional credit for publishing it
- 3)The end user who gets high quality content that may not have been available otherwise.

If you haven't already begun article creation, you better get started soon. Right now, the art

You are best off writing individual articles for the web directories that do not appear on you
