Article Body:

Five Reasons to Listen to Audio Books You May Never Have Thought Of

The typical hardcover or paperback book is not going anywhere. The format shows no signs of

1. Do you like reading poetry? Then experience it in the way it was meant to be experienced.
2. Fight road rage while listening to audio books seriously. Statistics show that violent
3. Revisit the ^Golden Age of Radio~. It is now possible to find a vast array of classic
4. Struggling in child-rearing? Audio books just might be part of the solution. Harry Pot
5. Learn another language in your sleep. When you fall asleep your brain doesn't just turn

If these uses don't seem practical to you, they might put you in the mindset to think
