Article Body:

For a number of years now I had heard about Cirque du Soleil. And every time another person told

Not so in this case! While in Las Vegas recently, I was finally able to experience first hand

The most fabulous show on earth- I've read this description of the circus so many times in reference
I was aware during the performance that I had not experienced this type of childlike awe in quite

The costumes and colors in themselves were provocative. The high-tech scenery surpassed any special

Then there was the Chinese Poles, The Aerial Cube, the Bungee, the Korean Plank, Trampoline and

It all started in 1982, in Baie-Saint-Paul, Quebec, a charming, rural area popular with artists

Yes, I encourage you to see this show, this fabulous show. Put it on your A list of things you
