Divx Movies

Everyone in the Online Movie world is talking about DivX Movies, you may have heard of this te

Well, If we would ask a techie:

"DivX is a digital video compression format based on the MPEG-4 technology. DivX files can be

But for the rest of the world, what does this mean (in english please)? And even more important

Here's how it works You have a 2 hour Movie that you want to download. You have a regular DVD

Fortunately, a Codec was developed by a company called DivXNetworks. What DivX does is that it

What this means for us is that instead of a download taking 3 days or 72 hours, this process i

If you want to Burn the file onto a Cd and watch it on your DVD, first make sure your DVD-play

Another thing you'll want to keep in mind is keeping popcorn in your house and wiring your tv
