Article Body:

A pretty figurine isn't the very concept reminiscent of romantic splendors and art wonders? Yes

With the society changing its norms from the earliest Anglo-Saxons to the contemporary Moderns

The figurines were used for a variety of purposes. While some were used to serve as deities in

Recently, there are terms like Inaction figures and Staction figures that are used to refer to

Another important type of figurine includes Olmec Figurine that describes a number of archetypes

Other types of Olmec figurines are as follows:

- Transformation figurines- these figurines contained figures transforming from human to animals
- Naturalistic figurine- these include naturalistically portrayed human figures with big faces,
- Fetal style figurines- these are mainly fetus figures depicting infanticide and infant sacrifice

You can collect figurines of different ages to know more about the culture and spirit of that
