With modern art, you may choose to hang your oil painting without a frame. Providing that the

How to Hang an Oil Painting

Materials:

2 eye screws

Woven picture wire.

Procedure:

- 1) Mark 2 points on the inside of the two side stretcher bars about 25% down from the top of t
- 2) Screw the eyes into the stretcher being careful not to apply pressure to the stretched area
- 3) Measure a piece of wire the width of the canvas plus 6-8 inches.
- 4) Thread the wire through the first screw twice then neatly wrap the remaining wire around it
- 5) Pull the wire across the back of the painting so it is not quite taut then repeat the threa
- 6) To hang the oil painting, use an appropriately strong hook, i.e. one that can support doubl
