Article Body:

Getting tickets before the general public isn't available for every event. But for a select few

The first thing you need to do is check whether or not your event has a presale. Go to ticketmaster.com

Next, visit <http://presalepassword.net/currentlyavailable.asp> and check if the presale password is available.

PresalePassword.net is a trusted presale information service. If you sell tickets, this is a great resource.

Presale information can also be found through specific radio stations and venues. If you can find a radio station that has presale information, call them up and get the details.
