As home entertainment equipment gets cheaper and the quality gets better each year, more and more

Well, let's start with price. Sure, going to the cinema can be expensive, especially if you buy

However, the fact that you can buy and rent films is a big upside of having a good home entertainment

Yes, you have to make your own film food, but at least it's cheap, and you can have as much as you

Really, it's a trade-off, even once you take price out of the equation: you're never going to
