Article Body:

When it comes to modeling, many people have the notion that they either have to live in California

But what if you can't just pack your things and move to California or New York? What then? Up

The following tips will get you on your way into the modeling industry quickly and easily:

1. Take Pictures, specifically Head Shots ~ keep them simple. Wear neat and clean clothing
2. You will need a resume of yourself. In your resume, include your Modeling Experience,
3. Research the addresses of modeling agents and agencies in your area. You can look this
4. After sending out your portfolio, do a follow up phone call or email every 2 weeks aft
5. Utilize as many communications tools as possible. This includes calling them on the ph
6. Develop your modeling skills. Look for local modeling schools or classes in or near yo
7. Stay clear of any Model Agency telling you that you have to pay money to sign on with

Just because you live in a small town or away from the big cities, does not mean that you don't
