Article Body:  
Solstice is among the premier luxury destination clubs worldwide with its impressive collection of properties. The three membership plans offered, Sky, Platinum, and Signature, are based upon how much flexibility you want. Solstice has two spacious mountain retreats in Aspen, Colo., in Silver Skies and Shimmering Trees. Shimmering Trees has over 4,000 square feet of living space, four bedrooms, two stone fireplaces, and a private hot tub. Solstice is building a beautiful estate in the Wine Country of Napa Valley, Calif., for members. The deluxe destinations club has European residences in Florence, Paris and London. The Villa in Paris is a 1,200 square foot flat been renovated yet retains its definitive Old World elegance. Some of the world's best wine is produced in the French Caribbean is represented well by the L'Etoile du Berger estate in the hills of Colorado. Solstice I, which is the company's 90-foot yacht that is available to members, cruises the New York and Caribbean. The club's open-book policy and premium services have spurred its unprecedented growth and range.
