

Title:

Make Your Own Book Mark

Word Count:

425

Summary:

If you love to read as much as I do, then you should consider making your reading even more fun.

Keywords:

book mark

Article Body:

If you love to read as much as I do, then you should consider making your reading even more fun.

Does making your own book mark seem a bit too artistic or creative for your skills? If so, then

Gather ideas for great book marks from everywhere. Look at fabrics, magazine ads, and even photos.

I have started making book marks that match the tone of the book I will use the book mark for.

Making book marks can also be a great gift to give friends and family that enjoy reading like
