Article Body:

Hi, my name is Carol and I am addicted to audio books.

My story: I am 32 and addicted to audio books. I have been trying to cut back but I can't.

I was first introduced to audio books 12 years ago. My parents bought me a Stephen King audio

As times passed I moved to audio books on CDs and later on to downloadable audio books. I have

My average output was two audio books per week but I remember some weeks where I skipped sleep

I managed to find some free audio books but still paid a lot of money for my audio book collec

I got addicted to the comfort of having a ^miniature~ book. I got addicted to the narration, t

I got addicted to the ability to listen to audio books anytime and anywhere (I remember listen

And then I decided to make the move. If I can't beat it, I would join it. I resigned from work

Nowadays, I write reviews about new audio books and serve as a consultant for audio books' pub

Have you tried listening to audio books? Try it.
