mystical,abstract, art,pictures,spiritual

Article Body:

When attempts have been made to describe a work of abstract art many people have used words li

The world of art and the environment of the mystical go back a long way together with many fac

Therefore it is understandable that a non-representational picture can be difficult to comment

However, as an artist who has acquired (and lives by) a little understanding of certain spirit

In order to do that I want to present the whole episode from all aspects:

The Spirit

One of the Spirit's major intentions is to bring spiritual understanding into the physical rea

The Messenger

... Or Artist in this case ... Or more specifically an artist who is prone to take note of the

The Art

A personalized manifestation of the inner visuals ... portrayed on board or canvas - or any ot

The Viewer

A receptive observer viewing the art may initially have an indefinable affinity with it. They

The Gift

The originally unknown vision now begins to unfold its truth within the receptive viewer. This

So the next time you seek to produce a piece of art or decide to visit a gallery do not hesita
