party, party planning, party favors, party favor ideas

Article Body:

There is one thing certain about parties; they cost money. The question you have to answer is,

No matter how small your party is, you must set a budget. Your budget has to be a realistic one.

The kind of party you are planning will have a great impact on your budget. For example, a wedding

A small budget doesn't have to be a dull boring party with bad food. If you are creative, you

You don't have to get in debt to have a great event. A big budget is certainly very nice, but
