personal finance

Article Body:

Personal finance is kind of a big deal right now. Identity theft is growing. People all over t

You could say that Americans are increasingly drowning in debt. As this happens, their credit

If you're in debt, you need a good credit score. Without a good credit score, you can't get lo

If that weren't enough Identity theft is the fastest growing white collar crime in America.

Is there a solution to both problems?

Yeah, you've got to monitor your credit score, and keep it low. There are several good tools
