Article Body:

The cars are bumper-to-bumper into the final lap. It's too close to call ... and the Dodge Cha

No, that wasn't the call from the latest televised race. It's the kind of heart-pounding racin

Slot car racing has been around since the mid-50s, when enthusiasts "drove" their cars on mode

Elvis, however, never had anything like the latest slot cars from Carrera. The sport has come

Unlike analog systems, by fitting a micro-processor to each car and including the special digi

Carrera also offers the "Exclusiv" line with cars such as the Chevrolet Corvette C6R and 1:24

Long popular in Europe, slot car racing is gaining momentum in the U.S. as Americans - from ca
