Article Body:

There are many reasons why someone might want to learn Spanish. Perhaps you are planning a holiday

My reasons were a little mixed. For a long time I had wanted to learn another language, and for

Although I had wanted to learn Spanish for a long time I guess the main reason why I finally did

When people ask me if I can speak Spanish fluently I am always a little hesitant to say yes. The

I think one of the biggest tests for me is being able to sit in front of the TV with una cerveza

So, how did I get from not knowing a single word of Spanish (apart from ~ gracias and amigo),

In the next article I intend to write about preparation. By that I mean thinking about what it

By no means do I consider myself to be someone that has a natural flare for languages. When I
