Ten Helpful Hints for New or Professional Storytellers

Word Count:

1354

Summary:

Sometimes a simple reminder can put us back in charge of our craft/

Keywords:

storytelling, speaking, keynotes, programs, workshops, association meetings, festivals

Article Body:

This storytelling thing we do is a powerful medium in our world of images and sound bites. And

1. Be Funny - Lighten up! I've seen to many storytellers with a bad attitude. You must be fun

2. Write it down - One way to stay sharp as a storyteller is to record every funny or interest

3. Get a web site - Get a web site. (like www.greatstoryteller.com) It's just the thing to do.

4. The 10-10-10 rule - Here's a great tip for someone just starting out or a seasoned professi

5. Get accountability - As iron sharpens iron, you need accountability. Whether it is a group

6. All the world has stages - Not quite the Shakespeare line, but all the world does have them

7. Find your own voice - We all have our influences. And don't kid yourself into thinking thes

8. Product - After an audience has just been floored by an hour of the best storytelling they'

9. Be proactive -Once you've decided to do this crazy thing called storytelling, it's now time

10. Enjoy yourself -I know you hear a lot about how tough professional storytelling is, and ho
