There are many ways to get your audience involved in your presentation. Some are audience part

Listen to these words: Sparkle, lighten up, silly - What do they mean to you?

Some days when you are doing a presentation you sometimes don't feel like being there or even
This normal, but everyone can spot it when you aren't all there.

NOTE#### You have about five seconds to grab your audience's attention before they go nuts on

There are four areas you need to work on to insure that "Pizzazz" takes place.

1. Your introduction: Do you know how to introduce yourself? Do you have a good handshake? Do
2. Your surroundings: Does it smell? Is it too small? Too big? Too cold? Too hot? Too noisy? As you
3. Your presentation: Have you planned the program? Are you well prepared for emergencies? Is
4. Are you fun to be around?: Do you have a sense of humor? Are you serious about non-serious
