

Title:

Where And Why ~ The Smart Buy Art

Word Count:

1409

Summary:

Since the days when cavemen began drawing on the walls ~ everyone has, at some point, displayed

Keywords:

art, pictures, framing, choosing art

Article Body:

Since the days when cavemen began drawing on the walls ~ everyone has, at some point, displayed

So, ^art~ for the home is nothing new. What is new is its' abundance. Art is much more available

But what should we buy and where should we buy it? Anyone can hang a picture on the wall, it's

Decorists are that happy band of picture hunters who never go shopping without their little ba

There are only two rules to apply to the purchase of a picture for personal use in a private h

1. Buy what you truly like to look at.

2. Spend what you can afford.

Such rules can, of course, be greatly extended but, simplistically, these are the two that rea

- The only place you should buy your pictures from is a specialist gallery ~ or the artist?

That's generally sound advice. In both cases you can ask pertinent questions relating to the ^

- Pictures are much cheaper at the superstores.

Yes, they certainly can be ~ and for very good reason. Now, call me a snob if you like but for

- I only buy original Oil Paintings.

Very good, you are on the road to enlightenment and freedom of expression. However, you must b

To Summarise

Shop at a reputable gallery, listen to what you are told with your ears open, ask plenty of qu
