Article Body:

Being wait-listed is tough, and you need the right set of keys to open the door to your dream. First, a word of introduction: Realize that receiving a wait-list letter means you qualify for. Now let's examine that keychain.

Key 1: Read the letter for any hints of deficiency in your profile and attempt to improve that

Key 2: Give them more reasons to admit you. If the school encouraged contact, inform it of new

Letters should be 1-2 pages. For tips on the letters' content, please see "Wait-list Purgatory"

Key 3: Reinforce the idea of a fit between you and the school. Demonstrate how a visit confirm

Key 4: Enlist your fan club. Seek additional letters of recommendation from supervisors on and

Key 5: Ask if there is anything you can do to improve your candidacy. There usually isn't, but

It is much harder to wave the flag when the school doesn't want contact. But even in these cas
