

Title:

A Change in Career a Change in You

Word Count:

494

Summary:

For the majority of us that start out in the career path we inevitably end up in a job of some jobs they started, why? Because we all have an inbuilt desire to be successful, as time goes b

Keywords:

career, succesful, knowledge, venture, opportunity

Article Body:

Some of us are lucky (or unlucky) enough to start our own business, we work all the hours unde

ailments like back pain, trapped nerves (very painful!) or even the odd limb missing. All from

Are you still there? I'll bet your not or you won't be in the near future. Why? Because you ar

Why is this? Have we been brought up to be like this? For the average person we weren't taught

But fitting in doesn't work!.....we all have that built in desire to be successful, to be bett

it's running out, it's inbuilt, we are human and it's natural. You have to take a look at your

Your school, what is your school?.....It's anything you want it to be!

You just need knowledge, only WITH THIS TIME its knowledge you want to learn and you can get e

appreciation will come from yourself.

Your life that has passed by (which goes too quick in my book) has gained you a wealth of know

Information that is valuable and easy for you to convey to others, it's called a niche.

So you see, to all those out there with yearn and the willpower (and we all have it, it's natu
