Business Card, Here To Stay?

Word Count:

410

Summary:

For as long as I have been alive (all of 27 years) business cards have been a very popular way

Keywords:

business card, business, card

Article Body:

For as long as I have been alive (all of 27 years) business cards have been a very popular way

Are they really necessary? Well at one time yes it was a great idea and people actually held o

That is not to say that they are out for good. No technology has a way of finding a way to sti

We are also seeing things like an electronic business card that can be sent to one another wit

So the little paper business card that used to be all the rage is phasing out but the concept
