

Title:

Business can save money by selecting the right job consultancy

Word Count:

418

Summary:

For most business recruiting staff can be a costly and time consuming process so why not make

Keywords:

jobs, careers, recruitment, watford,london

Article Body:

Which agency to choose?

There is generally little benefit in working with more than one agency. In fact it can be detri

Also it makes it a lot more difficult to manage the process and keep up to date with where yo

It's far preferable to find an agency who can therefore manage the whole process in a more eff

The first thing to do is ask around for personal recommendations. Clearly you can't openly ask

Some agencies employ actuaries as recruitment consultants. This adds extra value to the proces

A key consideration is to not be swayed in your choice of agency by a sales led consultant as

Using instinct

After you have been passed lots in cv's and the interviews begin then it is a case of using yo

As the squeeze is being felt by business due to the current economic climate they are relying

If in doubt about a candidate's ability to undertake work, why not ask them to run through a c

Having a test or assessment is perfectly acceptable as this tests the candidate and allows you

After you have made a decision on the right candidate then ensure a written offer is made to c
