Article Body:

Today's home entrepreneur's tips:

eBay (A subset of List Building)

eBay? Free Advertising?

Ok, so technically an auction listings cost 35 cents But one sale can easily make you a profit
So where does the Advertising part come in?

Simply place an information package of some kind, even if it's just an article on your niche,
Naturally there are no other costs like shipping or insurance, because delivery is a simple di
Here's the great part about this tactic: The winner of the listing's email address is automati
Don't feel too left out if you haven't mentally joined these two concepts together before now.
The fact is that eBay already has the lion's share of traffic, and more importantly, of people
Advertising on eBay is as simple as being there in the first place, using a few well-searched
Drawbacks?

Although the Delivery Time and the Quality of the traffic is world class, the Quantity is not
Effectiveness in drawing a large amount of traffic all depends on how good your auction's sale
Make no mistake about it; selling infoproducts on eBay is a world-class list-building strategy
If you sell a product online, then you've got to face the fact eventually that this is some of
The fact is that everybody eBays nowadays. That's why I can use eBay as a verb! In fact I've s
People from ALL walks of life can be found there, right when they have their credit cards in h
When used correctly, you can build up a niche market list on any topic with this technique, an

Just another weapon you put up in your arsenal of "guerilla methods".
