Article Body:

While plenty of people still wear glasses, there seems little doubt that they're on the way out.

Vanity isn't the only reason to wear contact lenses, though. For many people, it is simply more convenient.

If you're just entering the world of contact lenses, though, it can feel like a bit of a maze.

The easiest question to tackle is probably that of hard lenses. While hard lenses are still used by many people,

When it comes to the question of whether daily disposable lenses are better, however, there is still some debate.
