Article Body:  
What is an EDGAR agent? EDGAR is the Electronic Data-Gathering Analysis, and Retrieval System.  
EDGAR filings is a great boon for investors and companies. In the age of instant online access  
Companies are required to file these forms with the EDGAR database. Like many financial forms,  
Putting everything in the correct format, meeting the deadline requirements, having all the pe  
These services can often work very quickly, if you are in a time crunch. As with any service y
