online booking, event management, booking manager, booking, registration

Article Body:

The workshop was over. The delegates had long gone and Margaret Kerr was recovering with a cup

Once the rooms are clear of delegates and you have bathed in the glory of a successful event,

If events are to be a frequent part of your life, you will want a venue to welcome you back with

This may seem like common sense but you will be surprised how easy it is, at the end of a party

Providing venue feedback

As you leave with the last load of equipment, make a point of contacting your conferencing company

If you've had any particularly excellent service from the conferencing staff, make a point of

Margaret was about to slide quietly away when her colleague Ben, walked in looking full of energy
