Have you seen any miracles in your life?

Or maybe I should ask a better question

Do you believe in miracles?

Give me the answer to either one of the questions, I can tell you your answer for the other.

Dr Wayne Dyer has a wonderful book ^You will see it when you believe it~. It is a life changing

I have seen lots of miracles in my own life, and I see miracles almost every day.

Wouldn't that be a miracle if you are thinking of improving your health, an experienced Chinese

Wouldn't that be a miracle if you are thinking of improving your spiritual life, you suddenly

Wouldn't that be a miracle if you want to improve your financial life, an retired multi-millionaire

Wouldn't that be a miracle when you want to do a joint venture, someone from nowhere come to you

Wouldn't that be a miracle when you think of a solution for a problem, and a brilliant idea suddenly

Miracle happens everywhere, it can happen to you as well.

And the good news is you can deliberately create miracle in your life, and you don't have to die

I am going to write a series of lessons that you can use to create new miracles in your life.

The first new awareness you need to learn is

Everything you want is already here:

Einstein had spent years to prove one thing ^Time does not exist, it only exist as an illusion

If time doesn't exist, then yesterday is the same as today, and it is the same as tomorrow. That

If time does not exist, then every thing that possibly exists will be existing here. Imagine you

Everything that can possibly exist exists here, including the picture you are holding in your

Scientists explain the world as a world of possibility, everything in this world exist as a probability

The easiest way to get rid of the illusion of time and bring your pictures into physical form

Here is something I want you to do after reading this lesson.

Choose one thing you really want, form a picture firmly in your mind, and tell yourself that it

Next week, I will share with you are secrets mantra that you can use to immediately get connected
