

Title:

Farming with GPS

Word Count:

576

Summary:

Ever since I have been able to use Garmin GPS I can now grow crops more effectively than before.

Keywords:

GPS, Global Positioning Systems, Navigation Solutions

Article Body:

Ever since I have been able to use Garmin GPS I can now grow crops more effectively than before.

In basic terms it means small actions at the beginning could lead to large results at the end.

That also means that in my farm trucks, like the big one Jose uses, he can take it down the field.

I know I may not have a big farm, or a large workforce, but by being able to map out my land and
