Automated Forex Trading Systems Can Help New Traders With Profits

Keywords:

KISS EA, Expert Advisors, Forex EA, Forex Trading, Forex Market, Foreign

Article Body:

As the Forex market gets more and more attention with the deficit of the dollar looming, so are

Why do 90% of forex traders lose? Traders are humans and like all humans, we suffer from greed

Taking this into consideration, 90% of traders WILL LOSE MONEY IN FOREX. They will consistently

becoming millionaires overnight trading some "guru's" trading system from an ebook, is what keeps

An Expert Advisor is a "robot". Robots beat humans at chess and they beat humans at trading.

parameters (strategies), avoiding the fear, greed, lack of confidence and inconsistency which

The Expert Advisor has a plan. It sticks to it no matter what, no matter how ugly or uncertain

Some quick highlights of the Kiss Trading System:

- * Requires no technical indicators
- * Uses a "Set and Forget" strategy to free up your time
- * Makes only 1 trade per day at the same exact time
- * Requires only 3 minutes per day (or less)
- * Is fully automated with a metatrader Expert Advisor (EA)
- * No losing month for over one year
- * Averages +75 to +150 pips per month
- * Average returns of 5-25% per month
