Article Body:

If you're looking for a flexible or part-time job, or perhaps one that you can grow into a full

We tend to take vending machines for granted, although we use them all the time. Whether we're

Why is vending a good sector to be involved with?

With the proper approach, the right sites and great customer service, vending can be a lucrative

- Flexible hours ~ you can choose when to service and re-fill your site machine
- Site choices ~ you get help to choose profitable sites
- Grow at your own speed ~ add to the number of sites in your own time, expanding as you want
- Local area ~ use sites in your local area to keep your business close to home
- Income control ~ earn as much or as little as you choose

As office parks and out-of-town shopping centres increase and site owners try to keep costs down

By identifying and securing the right sites and providing an excellent service to the site owners
