You've probably seen the ad on television, "phone TV DSL", offered by SBC Global. Is it a good

While SBC advertises bundled telephone, DSL, and satellite TV service for around \$75.00 a month

Did you know you could be getting a much better deal on those services if you just do your homework

Let me give you an example. You are probably looking for phone, TV, and DSL services. Let's do the math

Satellite TV from dish network will cost you about \$19.99 a month for three months then go up to \$29.99

DSL or Cable broadband Internet from both ComCast and Earth Link will be around \$19.99 to \$29.99

Broadband telephone service or VoIP from Vonage is about \$15.00 a month for unlimited local calling

So what we have now is phone, TV, and high speed broadband Internet for about \$55.00 a month for a family of four

So the next time you are looking for a good deal on bundled packages, keep in mind you'll save a lot of money
