Article Body:

You're sitting in your office when your secretary buzzes you and says you have a letter in from

Do you know how to respond to their request? Do you know what is relevant or not to the litigation?

So many questions, and not surprisingly, so many answers. To begin, you need to know what electronic

Generally, most electronic discovery is centered on anything that could be paper, but is usually

Because emails are kept in electronic format during the ordinary course of business, it seems

Computer forensic experts also exist and would be happy to provide consultation to the attorney

Once you have received the electronic data from the opposing attorneys, you now need to review

Now that I've given a little primer on what electronic discovery is, don't be alarmed if you are
