Word Count:

441

Summary:

If you are considering buying your first PDA there are some important options you need to look

Keywords:

PDA

Article Body:

Are you considering the purchase of your very first PDA? If so, what should you look for? How

Before making the final decision to purchase a PDA, have you thoroughly researched what they o

A new PDA does not have to be purchased every year like a Franklin Planner, so in the long run

Address book

Calculator

Internet Access

Notes and document management

Games

GPS

Given that you are ready to go forward with the purchase, your choice of a PDA model will depe

Memory - If you plan to use your PDA for storing large documents and other reference works, th

Size - All the features do you no good if you don't bother to bring the PDA with you due to it

Input Options - If you plan on using the PDA to take notes with, a compact external keyboard i

Battery Life - Again, dictated by your specific needs.

Finding the best place to purchase your PDA can be done easily with online shopping portals. E
