Looking to create an impression among your friends or associates with stylish MySpace layouts?

1) Paragraphs -

Most of the MySpace layouts users dont know much about web design, they'll often type out text

Unfortunately for non techie people, creating paragraphs is not as easy as pressing the enter

2) Text clarity -

MySpace layouts use background images to enhance the profile and the page. But most of the time

To make effective use of the MySpace Layouts and create a beautiful MySpace page, the member n
