Just before getting out of hearing range, an alcohol and drug counselor was heard explaining t

"Really?"

"Yep, and you would have been better off asking him if he drinks."

"Why?"

"His answer would have been, not since the invention of the funnel."

"So, you know him pretty well. Does he have a problem?"

"No. No problem. And, he will tell you he stopped practicing in 1968 when he found Chevas Rega

"Okay. So, he no longer drinks? Or, does he?"

At this point the conversation was lost, so let us hear it straight from the horse's mouth - u
