

Title:

The Oscilloscopes

Word Count:

331

Summary:

If your need is to repair, design or to manufacture electronic equipment, then the oscilloscope

Keywords:

oscilloscope

Article Body:

If your need is to repair, design or to manufacture electronic equipment, then the oscilloscope

There are several things to consider when it comes to the purchase of an oscilloscope though.

- Bandwidth
- Rise Time
- Sample rate
- Waveform Capture Rate
- Record Length
- Vertical Sensitivity
- Sweep Speed
- Gain Accuracy
- Triggering Capabilities
- Effective Bits
- Horizontal Accuracy
- Resolution
- Frequency Response

The comparison of these elements in the oscilloscope will mean several things. First, the more

There are also many information portals now devoted to the subject and we recommend reading ab
