The idea that there exists a secret cabal of power elite whose soul purpose is world domination

Here is my list of the top ten things that the Illuminati do that make them better than the rest

10. They start off rich and powerful.

This is number ten because it's the least important.

Having a good foundation to start from does make things easier but if you're smart, have a plan

9. They build networks and trust the right people.

You may find that with all the people in the world there are a lot of them who are fun to hang

Trusting the right people doesn't mean they trust family, or friends... they only trust the pe

You can be nice to almost anyone but you can trust only a few.

8. They build themselves up.

There is no lack of self esteem within the Illuminati. They consider themselves to be "The Enl

Most people walk through life beaten down into submission groveling for the slightest bit of r

7. They do what works.

If something works they use it. If something needs to be done they put it into action. They do

They also don't resort to relying merely upon "divine intervention". Instead they take complet

6. They keep secrets.

If you've ever revealed a magic secret you know how disappointing it can be. From that point o

Keeping your goals, plans and ambitions secret builds you up on the inside and help strengthen

You'll learn to reveal your secrets to only those people who you know can help you and reveal

5. They use mind control.

Yet another reason to learn mind control. They don't rely on luck or hope. They use everything

They use mind control on others to influence, seduce and persuade (Just another reason to lear

They also use mind control on themselves to keep themselves focused. This mean keeping abreast

4. They keep calm.

One reason they can stay so calm is that they have a plan that details exactly what to do next

They know that a rash and emotional reaction to anything will do nothing for them and work aga

It's easy to assume that the Illuminati are without emotion but in fact, they simply know what

The old kung fu masters are always calm and unemotional when challenged by the young and ambit

3. They save.

The Illuminati know that to grow in money and power you can't spend it all at once. You must s

What percentage of your annual income do you have in savings?

2. They invest.

The Illuminati know that money and power have to be cultivated and grown. This it done by inve
