A perfect wedding isn't only beautiful, it's personal. It's got carefully selected details tha

Keywords:

wedding photos, weddings, wedding, marriage, wedding

Article Body:

A perfect wedding isn't only beautiful, it's personal. It's got carefully selected details tha

-Write your own wedding vows. It doesn't have to read like poetry; the important thing is that
-Compile a CD with songs that symbolize your relationship or how it evolved. Play this during
-Instead of tossing your bouquet, present it to your mother (or a dear friend or mentor) durin
-Guests often have free time on their hands during their reception. In the center of the table
-Most wedding reception programs revolve around the couple: friends give speeches. Do somethin
-If you have a close friend or family member who passed away, make him or her part of the occa
-If you have ethnic roots, incorporate a marriage ritual from your culture into your ceremony
-Wear an heirloom. For example, you can use your grandmother's veil, or wear a locket that bel
-Prepare an audio-video presentation that will be played during the last dance of the bride wi
-If you have kids, help them feel like they're part of the new family by asking them to stand
-Add little elements that say something about your relationship as a couple. For example, if y
