model

Article Body:

Every day I receive requests on how to becoming a model. Things like how to get started, findi

How to get started:

Before you get started doing anything, you should ask yourself these questions as they will he

<LIST>

What do I want to get out of modeling?

What am I willing to put into becoming a model

What kind of model do I want to be? Fashion, Runway, swimsuit, sport,etc.

How flexible am I for traveling and for time</LIST>

Once you evaluate these questions, There is two ways you can go. One is to contact a modeling

If you choose to go the traditional route and to work with a modeling agency, It can be hard a

Things to ask and look for are:

<LIST>What have they done for other models?

What can they do for you?

Can they meet your needs as an individual and as a model?

Does the agency have similar goals for you as the ones you have for yourself?</LIST>

The final question ^How to get a first photo shoot~ depends on which route you take. If you go

Good luck with your search.Feel free to reprint this article as long as you keep the following
