Women are just like fine wine. As they get older, more mature, and more beautiful, their inner

As women get older their sense of fashion seems to mature along with them. What is trendy and

However I think women should not give up their sense of style, just because their day got busi

Plus size women who are over 50 have every reason to dress in a stylish manner. Stores which o

Mature plus size ladies should be careful to choose items which make the most of their curves,

1. Be careful to choose the right size to fit your body. Don't go for items which fit too tight

2. Avoid fussy prints. Fussy fabrics have the tendency to make plus size women look even bigger

3. Stick to classic designs and clean cuts. Just as fussy printed fabrics make us look a littl

4. Try and avoid wearing anything that is too short. If you have beautiful legs, be proud of t

5. As we get older, some parts of our body tend to lose some of that useful gravity. This is n

Being over 50 does not mean women have to give up on having a sense of style. Especially not p
