Article Body:

Many women do not feel confident about wearing a bright shade of red lipstick on their lips.

What only makeup artists and a few women know is that red lipstick can make the lips very alluring.

You see, in prehistoric times, a woman's beauty is judged by how healthy she looks. Anthropologists

By instinct, men look for women who look healthy enough to breed children for them, and red lipstick

As much as women shy away from wearing red lipstick because it looks showy and obvious, there are

A principle in wearing red lipstick is that the paler your skin is, the bigger your lips would

Because red lipstick makes the lips appear bigger and plumper than what they really are, you should

Now that you know how to choose what kind of red lipstick you should wear, how then should you

So, before you apply red lipstick on your lips, dab on a light coat of foundation on your lips

When you are done with the foundation and the face powder, gently trace the outline of your lips

After this, put your red lipstick on with the use of a lip brush. A lip brush will ensure that

Red lipstick makes the face, not just the lips, very attractive. So, you have to make sure that

You do not have to be afraid to wear a bright shade of red lipstick on your lips. Just apply
