Sizzling New Sunglass Trends To Feast Your Eyes On

Article Body:

When it comes to this season's big fashion trends, oversized sunglasses are huge. Here are some

&#8226; If your face is oblong, look for frames with contrasting temples.

&#8226; If you have a diamond-shaped face, choose cat's-eye, square or rimless frames.

&#8226; For a round-square face, choose rectangular or geometric frames.

&#8226; Frames with heavily accented color on the top half work best with a triangular face.

&#8226; If you have an oval face, almost any style will work.

Some of this season's hottest styles are:

&#8226; Sunset Boulevard-Oversized plastic "Jackie O" shapes that provide the Hollywood starlet

&#8226; MetalWorks-Metal is one of the hottest fashion accents and sunglasses with studs, grown

&#8226; Pearl Essence-Any shade from brilliant white to subdued ivory is the perfect accent to

&#8226; Charms and Jewels-These playfully elegant designer styles are accented with Swarovski

&#8226; Signature Style-For personal flair, designer-inscribed sunglasses are in high demand.

&#8226; Cutting Edge-Peek-a-boo cut-out temple designs and laser engraved outlines make a bold
