Article Body:

The world of watches is vast and teeming with numerous brands. With all kinds of watches from

Founded in 1987, Skagen Designs, Ltd., makers of Skagen watches, is an international group based in Denmark. Today, they have made Skagen into a brand that is most notable for its design and manufacturing.

Therefore, when you purchase any Skagen watch you become part of an international group of Skagen watch owners.

Here are some of the best features of Skagen watches, besides the price tag, which make these watches so popular:

Sleek, elegant and contemporary Danish styling

Watches have solid stainless steel and solid titanium cases

Precision Japanese quartz movements

Scratch-resistant mineral crystals polish keeps the Skagen watches looking new for longer

Almost all Skagen watches are water resistant to 3ATM/ 30M/ 100FT

Many watches styles are available with screw backs, luminous hands, date and chronograph

The Skagen watches have stainless steel or titanium bands, or top-quality leather or water-resistant fabric

A nice low-profile watch that is ideal for casual wear

The Skagen watches are available in price range from \$85 175 only!

And each and every watch comes with the Skagen Denmark Lifetime Limited Warranty always

Skagen is a small, picturesque fishing village on the northern-most tip of the Danish peninsula.

Skagen Designs Ltd., manufacture expertly crafted yet affordable watches as compared to other brands.
