Spring into Style

Word Count:
451

Summary:
A wonderful article exploring some of the hottest handbag styles of the season.

Keywords:
Hermes, Gwen Stefani, Matt & Nat

Article Body:
Spring is simply my favorite time of the year. Every year, around this time, the major fashion designers release their new collections. I have always been in love with Prada handbags. In fact, it was Prada that first inspired my love for handbags. Fendi is another one of those designers I cannot be without. While some of their purses are large and bold, Isabella Fiore has created what might be the cutest springtime bag ever! Has anyone out there
