Article Body:

The most important part of how to make money using the no stop, hedged, Forex trading strategy

The no stop, hedged currency trading grid system uses the rule that one should be able to close

Assuming a grid with grid gaps of 100 pips. We are going to use the simplest formation to show

Let us say that a trader enters the market with a buy (buy 1) and sell (sell 1) deal active wh

Now, for convenience let us say that the price moves back to level 1.0100 (the starting point)

The second sell (sell 2) has now gone positive by 100 pips and the second buy (buy 2) is makin

The 4 transactions added together now incredibly show a gain:- 1st buy (buy 1) cashed in +100

Please make sure you understand the mathematics behind the activities discussed above. You may

This formation is the 100% retracement formation where the price goes up to a grid level and t

There will be much more on the no stop, hedged grid trading system in future articles in this
