Article Body:

Bank of America online banking is available to any customer who currently does business with t

One feature that sets the Bank of America online banking program apart from its competitors is

To set up a payee such as your electric company, start by accessing the built-in list of payee

If the payee does not exist in the list, you enter payee details one time, and you never have

Now here's the cool part about the Bank of America online banking bill paying option. The mone
