

Title:

Buying a Car and Saving Money

Word Count:

429

Summary:

Buying a car can be done fairly affordably if you do your homework ahead of time. Otherwise,

Keywords:

Debt consolidation, debt management, credit counseling, bankruptcy, credit cards, home equity

Article Body:

Aside from their home, most Americans will spend more money on their car than on anything else

A little bit of work ahead of time can help you save quite a bit of money on your car purchase

Check your credit report - A few months before you decide to buy you should check your credit

Arrange your financing in advance - While you can sometimes get competitive financing from th

Watch for factory incentives - Sometimes, the manufacturer will offer inexpensive financing.

Check the pricing - A number of Websites, such as Edmunds.com, offer information on pricing.

Ponder the extras - Undercoat? Extended warranty? These are things you may wish to consider

Buying a car need not be a complicated procedure, but it works best if you know ahead of time
